

TERMS OF REFERENCE FOR NATIONAL INDIVIDUAL CONSULTANT

National Consultant to support enhancing institutional capacity and provision of quality service	
Hiring Office:	UNFPA Timor-Leste Country Office, Dili
Purpose of consultancy:	To support UNFPA Timor-Leste in implementation of Spotlight Initiative by enhancing institutional capacity of health sectors to provide quality services to GBV survivors (Pillar 2 and 4)
Background	<p>GBV is one of the most pervasive human rights issues in Timor-Leste¹. According to the 2016 Timor-Leste Demographic Health Survey, one third (33%) of women aged 15-49 have experienced physical violence throughout their life².</p> <p>Timor-Leste has made strong policy responses against GBV through its national law and policies including Law Against Domestic Violence (LADV) and followed by the approval and implementation of two National Action Plan (NAP) to support implementation of the LADV. As an inter-ministerial member of NAP GBV commissioner, the Ministry of Health (MoH) is the key institution contributing to the action plan on Access to and Provision of health services to victims/survivors.</p> <p>Responding to that, The Spotlight Initiative in Timor-Leste has been implemented through five UN agencies (UN Women, UNFPA, UNDP, UNICEF, and ILO) with a focus on addressing intimate partner violence and domestic violence. The overall vision of the Spotlight Initiative in Timor-Leste is that women and girls enjoy their right to a life free of violence, within an inclusive and gender-equitable Timor-Leste</p> <p>The programme, aligned to the Timor-Leste “National Action Plan on Gender-based Violence (2017-2021)” will contribute to the elimination of domestic violence/intimate partner violence (DV/IPV) by responding to the needs of women and girls and addressing the underlying causes of violence against women and girls using a multi-sectoral and intersectional approach to implement intervention on the following six outcomes areas including prevention of GBV and provision of quality services.</p> <p>To strengthen the sustainable response to GBV in Timor-Leste, especially by health sector, UNFPA and MoH collaborate to institutionalize and integrate the GBV response into health system by establishing the Safe Space within the health facility to provide essential health services package including First-Line service(LIVES), medico-legal, basic psychological support and referral to further services.</p>
Scope of work: <i>(Description of services, activities, or outputs)</i>	<p>The national consultant, under the overall guidance of UNFPA Gender team, will provide support throughout the implementation of Spotlight, focusing on strengthening institutional capacity on GBV and providing quality health services in collaboration with MoH.</p> <p><u>The scope of work includes:</u></p> <ol style="list-style-type: none"> 1.
